Are you effing kidding me?? You SOLD your reptile, therefore, you accept that this was a posibly. Maybe If you want your "baby" you should not have SOLD him in the first place! Just saying, maybe it's finally in a good home where it won't be sold from person to person for an extra buck. Look at how many ads are on here, with similar stories. What made you think that this couldn't happen? If you sold someone a car, would you have a right to get mad because they sold it? NO. IT IS LEGALLY THEIR PROPERTY, JUST LIKE THE ANIMAL. Maybe next time you will be more responsible with your responsibility.
