Location **Arizona**

First \$200 Cash takes it. Please bring trailer and be prepared to load it. Estate Item, unknown condition. Looks great on outside and inside. Little is known about it and we are unable to test because of power requirements. It is possible that one side did not work when owner purchased. Whether it is fixed now or not is unknown. This is a \$6k unit when new. Great deal at \$200 and well worth the \$ at any condition.
