We will be doing topless/wet t-shirt photo shoot starting in this in March, and will need one female model who would like to participate in this event. Looking for the next G. Rated Model.

For your compensation, you will receive \$300 cash on the day of the shoot, one printed poster (30x40), and one 8x10 photo. Plus 15 retouched, digital images. You will also be featured on G. Rated Model's Facebook Page and website where you can gain more exposure. The shoot should last no longer than a half a day.

Currently we are working on a location for the shoot, and will have that all figured out within the coming days.

Please send us a message if you would like to learn more. Only looking for serious applicants. To be considered you must be 18 or older and submit clear images of yourself.

Thanks.
