

PAWS Humanes Pet of the Week (PAWS Humane)

LITTLE BITE
 Hello, my name is Little Bite. I am a four year old Domestic shorthair cat. I came to PAWS because my owner became very sick and could not keep me. I am fairly skittish and nervous. I have a lot of love to give to the right person. I enjoy being petted, but I also like to have my own space where I can hide and be by myself for a bit. I have been spayed, microchipped and I am current on my vaccinations. I am looking for a special home to complete your family and you can offer me love and independence. I would love to meet you today!

MARTIN

Hi! My name is Martin. I am a 5 year old Labrador Retriever mix. I was surrendered to PAWS due to my family no longer being able to care for me. I am very friendly and playful. I do not like to be alone. I am a bit of a player though so larger dogs would be a good play buddy for me. But as always, I would also like to meet my new buddy before going home with them. I don't know how I would react to a cat. I also love riding in the car and eating kibble treats. Please give me a shot, I will be nothing but loyal to you! Martin is neutered, microchipped, up-to date and all vaccinations and has been heartworm tested.
