Home-able Cat at PAWS Humane.

What a beautiful girl Miss Pearl is! This sweet little lady is very confused about her new surroundings. She was owner surrendered after spending over a year with her owners because their dogs were chasing her in their home. She is very loving and has a gentle personality. She loves sleeping next to you and curling up in your lap. She may seem a bit shy when she first meets you, but soon she will warm up to you. She has lived with other cats and seems to enjoy their company. She is a little hesitant around dogs because of the way they treated her before. She loves to play and her favorite toy is her catnip mouse. She has been spayed, microchipped and her vaccinations are all current. She enjoys sitting in high places and her cat tree is one of her favorite places. Give this beautiful girl a chance to win your heart. She is waiting for her forever home. #catneedsahome #adoptdontshop
