Hello I have a 1976 DT400 that I need help with.

What you have to do is put the motor back together and mount on the chassis and help wire it all.

I have all the parts minus 3 oil seals which I will procure before the job I will also need help putting the accessories back on.

I will pay cash a set amount after we meet and you check out the bike.

Please contact me if this is something you can do.

if you are a backyard mech who messed around with a dirtbike a few years ago please do not inquire

i need a responsible
