Thank you for your interest in Greystone Farms Apartment Homes. We would love for you to choose us as the place you call home! Here are just a few reasons why Greystone Farms will exceed your expectations:

We are the perfect location for you! We are located right off Highway 80 (Exit 6), so getting to anywhere in Columbus takes just minutes. Our community is just a short drive away from prominent shopping and dining. Greystone Farms is a gated community with many upscale amenities such as a state of the art fitness center (including cardio machines with individual cardio theaters, cable weights, free weights, etc.), 2 refreshing pools, basketball and tennis courts, playground, car care facility, pet park, and a community garden center. For the grill master, we have included grilling pads throughout the property to use and store your grill.

We have the home just for you! This particular apartment is a one bedroom, downstairs, with a sunroom. This apartment is also located in Phase 2 which means it contains a lot of updated features. Your rent includes 24 hour emergency maintenance, pest control, local alarm, waste disposal, and recycling. How many occupants will be in your apartment?

We are built in the tradition of the area's finest homes! We have Phase I and Phase II apartment homes available. Phase 1 is more of our standard package with the same layouts as Phase II, but with a more affordable pricing. Our Phase II apartment homes include all of the elegant touches of a custom home

such as: granite countertops, custom cabinets, crown molding, chair railing, built-in speakers in the living room, with sunroom, wiring for a desk, hardwood floors, and more. Finally, all of our homes are built with Energy Efficient heat pumps. We have the perfect home for you! Visit our beautiful apartments at <https://www.greystoneproperties.com/greystone-farms>

We love Milo and Otis! Will you be bringing a pet? We are a pet friendly community here at Greystone Farms and we welcome pets with no weight limit. We also have a dog park where they may play without being leashed. Our monthly pet rent is \$15 per pet and non-refundable fees are \$250 to \$450 for the first pet and off the pet fee if you have a second pet. *Breed and additional restrictions apply. See Management for details.

Our Paid Wait List makes it easy! Are you looking to move in the future or are you flexible with your move

in date? We offer a Paid Wait List if you have a need for a particular floor plan. With a \$100 deposit and completed application, you will be notified when the floor plan you choose is available in your time frame. You will have first right of refusal before we offer the apartment home to anyone else. If you lease with us, we will apply the \$100 toward your security deposit. If not, you may stay on the list for another apartment. If you change your mind, we will refund your waitlist deposit provided we have not taken an apartment off the market for you. Best of all, you may choose two sister Greystone properties as additional choices. It's that easy!
