One Bedroom apartments are available for rent. There is an end unit available. All are located inside our brand new modern building. A great part of town. There's lots of cafes, restaurants, as well as night life nearby. And there is a lot more that's a short bus ride away. Each of the rooms continues to be just redone and all of them have a large closet, new carpet, new wood floors, fresh paint, new window coverings, new ceiling fans, new cupboards, new countertops, new appliances (gas range), and air conditioning. We plan to have these types of ready this week. Please email me if you're ready to schedule a tour. Thanks.
