  Seramonte is a distinctive apartment community that features; a wide variety of floor plans, amenities, luxury and convenience! Restaurants and shopping, mass transportation, major employers and universities, state parks and beaches are all right outside your front door. Life moves at a fast pace. In order to accommodate the need for flexibility, inquire about our short term, home buyer and job transfer lease provisions. Student housing options and pet-friendly communities are all available. CTBestApts has partnered with Sure Deposit to provide an attractive alternative to the traditional security deposit. Simply pay a one-time, non-refundable low cost premium, instead of a traditional security deposit. Of course, you always have the option for a traditional security deposit as well. It's your choice.

  Leasing centers are open seven days a week; contact Leasing Consultant, Sam Johnson for more information! At Seramonte, we will be happy to tailor fit an apartment home to meet your specific needs.
