In a Mother's Voice is a study that seeks to understand the nature of changes in a women's thoughts, emotions, and relationships during the transition to motherhood. We are recruiting first-time mothers and mothers-to-be to participate in a paid study that includes completing questionnaires and recording day-to-day interactions.

ELIGIBILITY:

You may be eligible to participate in our study if:

- You are over 18 years old, and
- Are a first-time mother of a 3 month old or younger infant, or
- Are currently pregnant with your first child

PARTICIPATION:

Participation will include completing questionnaires and recording day-to-day interactions.

OUR MISSION:

The goal of our research is to improve the quality of life for mothers, their children, families, and communities. Please contact us for more information if you would like to become!
