My little girl is 3 years old and I would love for her to be able to interact with a few children around her age. We do a lot of activities such as library time, play groups, crafts, lots of reading, puzzles, and going to the park. I also expose my daughter to reading/spanish programs. My availability is Monday thru Friday only.

I'm a married 30 year old non-smoking stay at home mom that loves spending time with children. I have a clean home with lots of toys and games to keep us busy plus two furry kitties who love kids. I would be happy to provide a background check and I have had the TDAP vaccine within the last 4 years. I will never have more than 3-4 children in my home at any time so that I can give each child the attention to help them succeed.

If you are interested please e-mail me and I would love to set up a time for us to meet. I understand how important your child is to you and that you want to feel comfortable with the caregiver first.

Thank you for looking at my post and have a great day!
