As an Alaskan owned company established in 1972, we are offering our services in Property Development, Property Management, Real Estate, Construction, and Maintenance. We are a one stop shop for commercial owners. We currently manage 24 commercial buildings in Anchorage, and an additional 11 buildings in Wasilla, most of which, we acted as the GC in the construction process, actively manage and lease, and have ownership interests in. We are a licensed general contractor w/ residential endorsement, as well as a licensed RE brokerage, and in addition to that, we can provide 24 hour maintenance services for client's projects.

If you are looking to develop and/or purchase property, or simply looking for someone to manage and/or lease up your existing properties, we invite you to take advantage of our local services and our 42 years of experience developing, leasing, and managing in Alaska.

Call us @

For General Contracting and Construction ask for Dale Jaskuloski.
For Real Estate representation or Management ask for Robert Moats or Chad Powelson.
