Happy Friday!

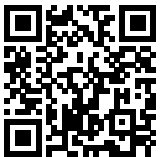

We are a Colorado-based Matchmaking and Dating service currently seeking to hire a professional Scout to join our Matchmaking team! As a Scout, you will be responsible for finding and recruiting qualified Singles for our great Clients!

Each week we will provide you with a specific Client or two that we are looking for. From there, you will go about your social life and personally search on behalf of the Client and find who they are looking for. All training provided at our Denver Headquarters and this is a great way to learn more about the Matchmaking industry and to help others find Love!

Receive \$100 per Individual that you Scout plus other bonuses and incentives offered!

Qualified candidates love to meet new people, are social, responsible and professional and are looking to try something new in the Matchmaking industry. If interested and available, please respond back with some information about yourself and we will be in touch.

Make it a great!
