VORTEX VIPER HD 10X42 BINOCULARS

Save a hundred bucks and buy these, I used them for one trip last summer. I have another set and I really do not need these.

I bought them new at Sportsman's last year.

Includes the neck strap, lens covers, case and lens cloth as pictured.

call/text 301-5949.

The Vortex Viper HD line of binocular is rapidly becoming one of Vortex Optics most popular binoculars. These award winning binoculars offer HD (High Density) extra low dispersion lenses that result in bright, crisp details and unmatched color fidelity. Featuring twist out eye cups, locking diopter, center focus wheel and a tripod adaptable body, the Viper HD has all the convenience features necessary for a comfortable viewing experience. Constructed to handle anything nature brings your way, these binoculars are 100% water and fogproof and carry the ArmorTek ultra-hard scratch resistant coating to protect your lenses from the elements
