The following engines are runners, complete with 3 month warranty.
 VW 1600 Diesel Natural Aspirated 1099.00 and up. Please check our site, occasionally I have units a bit cheaper if it is a fixer-upper. They are getting harder to find in Germany. So If I have a Good used unit scoop it up while you can.

I do have reconditioned Longblocks 1600 Diesel Natural Aspirated \$1499.00 outright. This is the way to go if you have all your other parts to transfer over. Head is rebuilt, new rings, new bearings. No timing belt, no tensioner, no water pump. (I do sell those parts if you need them).
 VW 1900 Diesel Natural Aspirated 1700.00 and up THIS IS THE BEST ENGINE WITH INCREASED HP AND TORQUE WITHOUT GOING INTO TURBO.

1600 Turbo Diesel engines \$1500.00 and up I have the ECO version and the High output version.
 1900 Turbo Diesel and TDI engines in stock \$2400.00 and up.

Other engines for Jetta 2.0 gas and 1.8 Turbo have the 3 letter engine code available when you call or we cannot check stock for your unit.

Please call me to discuss the options for your VW Application the engines fit Jetta, Passat, New Beetle,

Vanagon, Golf, Cabrio, Fox, Rabbit pick up, Rabbit Cars, Caddy, conversions like Samurai
