Description:

Designed for use in the classroom or small office, the Fellowes Saturn 2 95 9.5-Inch Laminator has user-friendly controls for safe, efficient laminating. Heating up in only five minutes, the Saturn 2 features advanced temperature control, ensuring smooth, consistent results every time. For added safety, HeatGuard Technology traps heat inside the laminator, so the outside is always comfortable to touch. Easy to use, the Saturn 2 is a great tool for anyone who needs to laminate documents.

Heats Up Quickly and Safely
Fully heated and ready to use in only five minutes, the Fellowes Saturn 2 95 can laminate a document in approximately 60 seconds. It is capable of laminating documents up to 9.5 inches wide in 3- and 5-mil pouches without a carrier. Advanced temperature control ensures heat is carefully monitored for smooth, consistent results every time. Includes a cold setting for laminating self-adhesive pouches.

Release Lever Allows Document Removal & Re-Centering

- A release lever located on the back of the Saturn2 95 releases the pressure between the two rollers, allowing users to easily remove or re-center documents.

Stylish Design with User-Friendly Controls

- Featuring a slim, professional design, the Saturn 2 95 complements any office décor. When it's time to laminate, a green light and audible beep indicate that the machine is heated and ready to use.

Features:

Fellowes Saturn 9.5" Laminator fits multiple document sizes and laminates in 3 - 5 mil pouches. Thermal/Cold laminator features HeatGuard Technology that makes laminator cool to touch and release lever separates pouch for re-centering.

- Laminates up to 9.5" wide documents
- Thermal & Cold laminating style capable of using laminating pouches up to 5 mil in thickness
- Ready in 5 minutes and laminates up to 12" per minute
- Designed for small office applications
- HeatGuard Technology keeps heat inside so laminator is cool to touch
- Release lever disengages pouch for re-centering or removal
- Cold setting for laminating self-adhesive pouches
- Includes laminating starter kit (10 pouches)
- 2 year manufacturer warranty
