

2 Standard Crib Mattress Covers

Location **Washington**
<https://www.genclassifieds.com/x-280151-z>

Two standard white crib mattress covers. Great to have extras for accidents or when the dreaded stomach bug hits. If you make both sides of the mattress with cover and sheet...just have to flip it over in the middle of the night as needed instead of fumbling around half asleep to make the bed/crib:)

2 for \$8.

Please DO NOT contact me if you will reschedule 10,000 times or flake out. Trying to clear out stuff this weekend. Home Monday/President's Day morning! Discount for bulk purchases otherwise prices as listed. More than fair.
