

Kid Galaxy My First RC remote control bus (10 USD)

Location

Washington

<https://www.genclassifieds.com/x-280155-z>

Great first remote control vehicle for a toddler (recommended ages 2-4)! Remote control has two buttons for easy controls- one to make it go forward and one to make it spin. Bus is soft and s=chunky and easy for little hands to handle.

Please note: to change the batteries on the bus, a long, thin phillips head screwdriver is
