

Still Lost Older Tortoise Shell Manx Cat In Independence Drive (Independence Park)

Location **Alaska**
<https://www.genclassifieds.com/x-280164-z>

Still lost and am hoping someone rescued my older Tortoise Shell Manx female cat, in the Independence Park area, she doesn't have a tail and is a very small cat, she weighs about 5lbs, much smaller than her picture suggests. Her name is Marilyn and she will come to her name. If you see or can capture her please call me at 227-2221, she is a friendly cat. There is a reward for her safe.
