I am looking for either a dog that can herd or one that is an LGD. I would prefer older dog though may consider a puppy. Dog will be a family/working dog and must get along with other dogs due to it will live in the house and be around other dogs.

I mainly use email because I can't hear over the phone. I really am in need of a dog to help or a puppy I can train because if an accident happens with my husbands and I sheep I don't have the strength to hold a sheep or move one.
