

Kitties for all seasons (Eagle River)

Location **Alaska**
<https://www.genclassifieds.com/x-280181-z>

Brighten your winter days -- and your future -- with a new family member. We've got some great kittens and cats looking for warm and loving homes. Meet them in our foster homes by appointment or at one of our homing events. PLEASE NOTE: not all of the kitties shown will attend the clinics.

Alaska Cat Adoption Team will hold an adoption clinic Saturday, February 21 from about 1:30 until 4 p.m. at Eagle River Pet Zoo. Kittens, teens and adults are scheduled during the afternoon.

We also often have kitties at Pet Smart on Dimond in South Anchorage, with a volunteer there typically from about 1 to 4 p.m. Sunday. Call 982-ACAT for up-to-the-minute info on which of our altered teens and adults, if any, will appear.

Also see info on our Facebook page -- Alaska Cat Adoption Team -- ACAT, a nonprofit page.

Preview our kitties online at WWW.ALASKACATADOPTIONTEAM.ORG. You can also call 982-ACAT for up to date information.

You can also adopt from our foster homes by appointment. See our kittens and cats at www.alaskacatadoptionteam.org, or call 982-ACAT for information.

All of our kitties are started on shots and dewormed, and given other medical treatment as needed. Older

kittens and cats are altered. Read all about their great personalities. Their bios are on our website:

www.alaskacatadoptionteam.org. Some profiles are pending.

We are a all-volunteer, 501(c)(3) nonprofit, network of foster homes. We raise our kitties in our

homes until they are ready to be adopted. Learn more about our philosophy and mission on our website at

www.alaskacatadoptionteam.org. There are adoption fees for our placements, and a spay-neuter deposit

for all unaltered kittens.

Kitties chosen at an adoption clinic are subject to a 1-day waiting period between filling out the

paperwork and picking up the feline. Ask our volunteers for details.
