Hi there! If you're looking for a young, friendly, fun, reliable babysitter I'm your girl! I have my CPR certification, I'm currently enrolled in a PCA class so I know about caring for others, I have experience babysitting younger family members, and I'm currently working part time. I'm available to babysit Mondays, Wednesdays, Thursdays, Fridays, and Sundays any time after 2:30 pm and I don't mind late hours if you need a date night (: Heads up, I am only 16 years old, but I'm the most responsible 16 year old you'll ever meet. Call or text me for more info, 907444one828,!.
