Bunny w/ starter kit. Each will come with about 2 weeks worth of food and a little hay. I will also send you with a care sheet. Giant/satin cross and some plain satins. The giant babies will be big. They live in a colony setting. I have red, solid black, black with brown markings(someone told me it looks like a reeces cup), brown, and reddish brown. \$20 each may trade depending on what you offer. There are more colors/babies than those shown but this is a sample I'm located in LaCygne but we.
