If you want your child to have a great time playing and learning, I'm the right choice for you! I am a new mom of a four month old daughter whom I would like to have an income for. I'm a lot of fun to be around. I am in classes Monday-Thursday 8:30-2:30 but am available all the rest of the time. I can do overnights, weekends, after school, or date nights. I have a car (clean driving record), am a nonsmoker, love being around pets, enjoy cooking and baking, and have experience with children newborn to 14 years. I am wonderful at helping children learn new and exciting things and teaching them about the world. I love reading to my baby and little brother. I love doing arts and crafts with kids and creating new things. I plan on taking multiple trips to the park on days that it is warm enough. I do not do electronics until after dinner, we may watch a movie to calm down before bed. I am hoping to get 3-5 dollars an hour per child, depending on driving distance. I am willing to travel 40 miles from Warrensburg, MO. I can babysit in my home or yours and guarantee that you will not be disappointed. I am also willing to do dishes, laundry, and other house cleaning if asked. I would like to keep my baby with me as I am a breastfeeding mommy but other arrangements can be made if needed. I have references from past employers if you ask for them. Thank you for taking the time to review my post. I hope to hear from someone soon. ~
