I hate to do this because I do not believe in rehoming a pet because of "lack of time", but these guys are suffering by not getting the attention they need. I have 2 senior males and 1 young female, 2 large cages and all the supplies necessary to care for them. Shoot me an email if interested - please only serious inquiries. We can discuss rehoming fee - it will be resonable for the right person. I can send photos if.
