

Male Scruffy Terrier Mix for Adoption Puppy (Northland KCMO)

Location **Kansas**

This is one happy guy! He is dog-friendly & seems to enjoy respectable children too. He is mostly potty-trained but is still a puppy so a little help would have him trained in no time! Paying is my game! He was found as a timid stray. After a while, he came around quickly to his foster family. After his owner was not found, he was surrendered to us to give him a chance to find his forever home. He will most likely be a small to medium guy requiring minimal grooming & is also low-shedding. Interested? Please visit www.DogsbyDebin.com to complete our online adoption application. Once that is completed, we will then contact you to set up a time to meet him. His adoption fee is \$250.00 & includes his neuter, vaccines, microchip, deworm & a 30-day offer of free pet-care.
