

10wk old Large breed MUTT (Op)

Location **Kansas**
<https://www.genclassifieds.com/x-280307-z>

I got this guy over a month ago and it's just not working out. He is a sweet dog easy to teach tricks too but needs more supervision as a puppy then I can give. He has had 3 dewormings, 2 rounds of vaccines and loves to play and give kisses! I need him to be in a new home ASAP!

We are working on potty training and he will bark to go out and use indoor pads. He loves to play with cats and other dogs; however with little kid he still mouths and tries to play with them- however he will cuddle up sleep and kiss with them... I would keep him if my schedule allowed for it or if I had the energy but I do not!!!

I'm asking for a rehoming fee of \$75.00 and submit to background check and vet reference.
