I'm literally so done with the Metro and everything it has to offer or the lack thereof. I can't stand the citites, I can't stand the people, I can't stand the cold, I just want to get the fuck outta here! I want to go somewhere where it stays warm, the people are sweet and the cities are full of life and beauty! I wanna go West Coast, SouthEast, or Down South. Are there any attractive Caucasian men traveling and willing to turn this 19 y/o Chocolate pop into Hot??!
