Forte International Exchange Association (FIEA), a highly respected non-profit public-benefit organization, is seeking volunteer host families for high school boys and girls from various countries for the upcoming school year. These students are excited and already awaiting word about their host families. Host families provide room, board, and guidance for a foreign teenager, age 15 - 18 years old living thousands of miles from home. Couples, single parents, and families with or without children living at home are all encouraged to apply.

The exchange students arrive from their home countries shortly before the current school year begins. Each FIEA student is fully insured, brings his/her own spending money and expects to bear his/her share of the household responsibilities as well as be included in normal activities and lifestyles.

If you are interested in opening your home and sharing your family life with a young person from abroad, please contact Forte International Exchange Association via this Craigslist Post. Please also visit our website for more information: [www.footeexchange.com](http://www.footeexchange.com).
