Bruce Almighty is a young adult neutered male! He's a beautiful dark Blue brindle! Cane Corso mix with Staffordshire Bull terrier! Has a SUPER personality and great with people! HE doesn't like sharing his space with others so needs to be the KING of his castle and only pet. Bruce has alot of energy at first but does calm right down. He's just been stuck in a kennel in boarding and now in rescue so he needs someone who understands that and willing to work with him. He's a strong boy so must be a previous owner of a strong breed like his. Bruce is Heartworm Negative and has his shots.

feel free to call or text. his adoption fee is WAIVED but there's a \$25 donation when coming to meet and greet him to help go towards his.
