selling my very soon to be a classic Lincoln Town Car, which has never let me down in the 8 years I had it and which is the smoothest ride in the last old sharp cut American style (nothing rides like a Lincoln)

Pros:

- runs very smooth and quiet (oil changed frequently -- all receipts existing), mainly interstate miles
- none smoker
- original excellent clean profile (none bulky captain chair like) leather bench seats with no rips
- immaculate dashboard top with no cracks
- good low mileage Dunlop tires
- fairly new radiator
- AC fairly recently repaired / blows ice cold
- new front windshield
- safety check good until 02 2016

Cons:

- air suspension bags leak (but not on the ground with the back end as compressor is compensating)
- basically the electrical system with stopped working: wind shield wiper motor, power windows,

~~digital displays (check engine light, ABS light), electric trunk pull, power locks (work but make~~

Use electric and pneumatic working tools and push the fast inch

To five side front light side cover miss

Police standing in front of a building in rear of

Vertical surface rust at fence

- few little interior accessories missing
