I bought this for \$800 3 years ago. Still in awesome condition. I'm sad to see it go.

This pole has a 5 foot in diameter stage. The pole is 50mm. Fits under an 8' ceiling and also has an extension-goes to 9'. Weight limit is 250 lbs. Super easy to assemble and disassemble. Takes 10 minutes tops.

Serious inquiries only. No I will not participate at your next bachelor party. Don't waste my.
