

Stentura 400SRT with extras (250 USD)

I have a steno machine: Stenograph Stentura 400 SRT in very good working and cosmetic condition. It IS real-time capable. Switched careers so this is no longer needed, and want to get this out of my hands because I have no space for it in my little apartment.

I have a stentura protective case (excellent condition), leather key pads, a court reporting rolling backpack (acceptable condition), Brief Encounters (\$60 value, very good condition, no writing or highlighting), metal paper tray, tripod.

The charger is not included because I formerly gave it to an ex-classmate who was in real need of it. However, I would advise you to purchase it here: http://www.ebay.com/itm/Stenograph-Stentura-Charger-ProCat-Flash-Charger-New-/310229269801?pt=LH_DefaultDomain_0&hash=item483b1afd29.

Firm on price. Cash.
