Brookline Massachusetts is a wonderful and unique mixture of busy streets - upscale shops - village pubs - large estates - gracious apartment buildings and rolling countryside. It is home for legions of scientific and academic professionals who work at nearby medical centers in Boston. Brookline is home to major retail centers that are alive with pedestrian- oriented shopping areas that are populated with a variety of shops. Here you will find antique stores, book stores, fresh fruit and vegetable markets, delis, restaurants, and coffee shops. The "C" Branch of the Boston MBTA subway Green Line runs through the neighborhood along Beacon St. The "D" Branch also runs through Brookline.

Brookline is Very safe, so most parents can be assured that their children can play safely in the parks. The closest grocery stores are Whole Foods Market, Star Market and Shaw's Supermarket. Nearby coffee shops include Dunkin' Donuts, Tarte and Japonaise Bakery and Cafe. There are 17 restaurants within a 5 minute walk including Nebi Gunast, Gyu-Kaku Japanese BBQ and Sichuan University Academy.
