
dining room and the living room. A glass-top stove offers an easy-to-clean and energy-efficient cooking surface, and the large sink has a spray nozzle for easy dish rinsing.

In the bathroom, white tiles match the white vanity and white commode, while a white tile backsplash protects the walls from your showers and a white tub protects the floor from your baths. Built-in soap ledges come in upper for showering and lower for bathing.

Downstairs, the basement is split, with each unit having its own private access. Washer and dryer hookups, a utility sink, and plenty of finished space for storage or other purposes await.

Outside, the driveway leads to assigned parking, so you don't need to worry about clashing with your neighbor about where to put your car. The yard is also plentifully large enough for two families to picnic in peace.
