Also people taking any free animal and using for bait in dog fighting or selling to labs for cash . Recently three eight wk old kittens were thrown off an overpass , 2 were killed , this is what they might do with free kittens . Please check people out thoroughly ask who their vet is and call the vet to ask about them ask for valid ID and deliver pet yourself to address on that ID because hoarders wont let you see their house . Please make sure the animal doesn't go to its death , there are good homes you just have to be careful ,if you have a bad feeling about a person don't adopt to them .Ask for a small rehoming fee of at least \$35 to deter them .
