

# ElectricUpright Bass PlayerSinger (new orleans)

Location **Louisiana**  
<https://www.genclassifieds.com/x-280611-z>

Hello!

I am a bass player looking for work. I have studied and played with Aaron Goldberg, Miguel Zenon, Sean Jones, Roland Guerin, Warren Wolf, Jesse Boyd, and more. I can read, improvise, and learn tunes or songs quickly and on the go. I am very interested in playing any style of music, but at this point in time, I am looking for paid positions only.
