

Looking for a Chihuahua

Hello

We lost our Chihuahua in December and are now starting to search for a new puppy or younger dog. We are primarily interested in a female, but if a male needs a home we are open to that as well :)

We are not interested in getting a puppy from anyone just looking to make a profit. If we can help a rescue or a dog about to be given up we would love to help.

Please email me with any information, thank you!
