Drummer looking for a loud classic rock / 80's metal band. I'm thinking about bands like AC DC, Judas Priest, RJD, Iron Maiden, Motley Crue, etc. Maybe some newer stuff too as long as it's loud as hell!!! I'd like to start a band with both rhythm and lead guitars, bass and drums with vocals that would scare your mothers! If this sounds good to you reply back with a number where you can be reached. I have all pro gear, transportation, etc. Everything I need except a place to play and a band to play it with. If you listen to stuff like the new AC DC cd and it doesn't inspire you to want to rock out don't even bother to.
