Hello, my name's Matt, I'm looking for musicians in the area to start playing with. I've got 2 album's worth of material, and am primarily looking for a band to start playing that material live; however, I'd also be interested in joining an existing act, or startinf something new. I'm 23, have reliable transportation, don't do drugs, have decent equipment, and am into a variety of metal including Revocation, Lamb of God, Mastadon, Megadeth, Threat Signal, The Faceless, Darkest Hour, etc. You can hear some of my music and a few vids at Reverbnation.com/mattdangerg. I'm looking for drummers, bassists, and guitarists. Hoping to get this started!
