I have two great dogs that need a new home. 7 year old male and a 5 year old female. The female is altered the male is not. I have had them since they were puppies and they are very loving dogs. The female is outgoing and friendly, the male takes a bit to warm up to people. They have been together their whole lives and I would like to keep them together. They are inside dogs but need a yard to spend time in. Small rehoming fee.
