Want to brew your own beer? Looking for fun like minded people to have a few drinks with and share brewing ideas? Then come join up for good times with good people. Men, women, green, blue, orange... it doesnt matter! Introducing the Sarpy County Brewers Club "Rogue Elephants." I have just about all the equipment including bottles that we need but if you have equipment as well then that's awesome! I prefer all grain but we can do extracts too. I have access to hops, yeast, grain and a grain mill all at an insanely discounted rate! So lets write up some recipes, brew some great beer and have a blast doing it! Looking forward to meeting some amazing new people! Cheers, Proost, Gun bae, Na zdrowie!
