## INFO ABOUT MYSELF &amp; FAMILY:

Hello, my name is Tonia. I have been a resident of Bellevue/Papillion since I was 16yrs old. I am in my 30's and work for a distributor. I have been married in the past 10 yrs as well. I have 2 kids, a son and a daughter. He retired from the military. I was a nurse in Encor, which is a mental health facility. I worked there for 10 yrs. I love the life and give my special love to my kids. I have a dog named Max. I had a dog named Max because I can't have a dog daycare. I have always been working with children and children have always bonded well with me. I live by a few daycare "centers" but I couldn't afford their rates and the ones that were "IN HOME" were full, so I thought to myself, "my neighborhood could use an IN HOME daycare. I try to stay open enough for one working family, but help put food on my table as well. I opened my daycare on 7-31-2011. I do have 4 extra years of experience with child care. I have lots of references. I am a trained and organized person. (All the toys are sanitized every Friday). I only take care for up to 4 children in my home so I have more than one time with your child (summer

time I CAN care for up to 8 daycare children total). I have 3 children of my own and 3 dogs. My dogs are great with kids. If I didn't trust them around my children, I wouldn't have them.

I will give your child or children a safe, friendly and educated environment. (Unfortunately I don't offer a preschool program. I am enrolled with the ABC Mouse.com program. However your child/children will still be engaged in many learning activities)
