Hello my name is Tonia. I have been a resident of Bellevue/Papillion since I was 16yrs old. I am in my 30th year and while I am distributed with my part time job I lived in the same place for 17yrs as a caregiver in Kosovo and then he retired and we had a family. My job was with a home care center, which eventually dissolved. I worked there for 17 yrs. I love to teach and grow up our special children with no problems. I had 3 children because I could not get daycare for them. Always working with children and children have always bonded well with me. I live by a few daycare "centers" but they could not afford higher rates and the ones that were "IN" were full, so I thought to myself, if my neighborhood could use an In-Home daycare I try to stay near enough for some working families but help put food on my table as well.

I opened up my daycare on 7-1-2011. I do have 4 extra years of experience with child care. I have lots of references. I am a head and organized person (All the toys are sanitized every Friday).

I only will care for up to 4 children in my home or have more than one at one time with your child (summer

I have lots
d (summer

time I CAN care for up to 8 daycare children total). I have 3 children of my own and 3 dogs. My dogs are great with kids. If I didn't trust them around my children, I wouldn't have them.

I will give your child or children a safe, friendly and educated environment. (Unfortunately I don't offer a preschool program. I am enrolled with the ABC Mouse.com program. However your child/children will still be engaged in many learning activities)
