English Bull Terrier Puppy. Spuds mckenzie, The Target dog, and Chico from the movie Friday ... Pure bred .. 10 weeks ... AKC papers ... She is a beautiful puppy. I had a deposit on her from when she was 4 weeks. She comes from a very reputable breeder. Healthy .. shots, and rare, gorgeous markings. It took me a while to find this coloring, but I have had something very unexpected come up, and I feel she would be better with a family that can give her full attention, even though it brakes me heart. She is Fawn and white, trimmed in black. She is very sweet, and extremely submissive, and obedient, not only for a puppy, but also for this breed. . . . \$1400 to good, experienced home only. I paid a LOT more for her. She loves to play with kids.
