PowerBook G3 & G4
iBook G3 & G4
PowerPC G4 & G5

Store more music, photos, videos and files with a new hard drive upgrade. If your current drive is slow or clicking, a new hard drive can restore functionality to your Mac.

Pricing Includes:

Installation of the new drive and transfer of your Mac data. If your current drive is failing, a new operating system is installed.

Windows data may not be transferred.
