I am heading to avocado fest/ kona in general today. Late afternoon Im heading to Hilo and camping somewhere there or in Puna. Going to estatic dance in the morning then keheha and then late afternoon Ill drive south passed volcano, Ov etc back to sea camp just south of ho okena. Got lots of room getting to hilo but am picking up two friends there so from Hilo onward I can take one or two with light luggage. I drive a ford ranger. Looking for gas contribution and if we all get along perhaps you can stick around for the other legs of the trip. email me or text. No tweakers
