Hello,

I am in need of childcare for my 2yr old son. I work full time and am looking for someone to work with my schedule. The hours of care that I would need someone to be available would be weekdays and weekends anywhere from 430 in the morning to 1230 at night. My shift hours are 8hrs a day and I would need care for him for 9hrs a day(30 min commute to work and back). Just to give you a idea of what shifts I work they would be 5am-1pm, 530am-130pm,6am-2pm,7am-3pm,8am-430pm,830am-430pm,9-5pm,10-6pm,1130-730pm,12-8pm,1-9pm,230-1030pm,330-1130pm and 4:30pm-12:30am. There might come a time that i would need overnight care for him too but for now these are the shifts I work on any given week. There maybe a day or two where I may need a little longer hours and I would be willing to pay more for those days.The person who watches my son would have 2 days off a week.

I am looking to drop him off at someones home rather than have someone watch him at my home. The ideal childcare provider i would like to have watch him will have experience in childcare and have knowledge of CPR a childcare license/ certification(PATCH etc) or years of experience. And of course love children. He is a very sweet fun loving child and has NO special needs. If you think you might be able to assist and would like to contact me please send me a email. Please only serious inquiries.
