

Participants Needed for Research Study

Location

Hawaii

<https://www.genclassifieds.com/x-280867-z>

If you are a mother of a school-aged (kindergarten and above) child/children who is not diagnosed with a chronic or life threatening physical condition or psychological condition requiring school accommodations you are needed to participate in a study about relationship satisfaction and family coping. Study participation is ANONYMOUS. After completing the questionnaires participants will be given the opportunity to be placed in a random drawing with a 1 in 10 chance to win a \$10 gift certificate to Walmart or Target.

You can help us learn about relationship satisfaction and family coping if you:

- Live with your school-aged (kindergarten and above) child under the age of 18 who is not diagnosed with a chronic or life threatening physical condition or psychological condition requiring school accommodations
- Are in an adult, committed/partnered relationship
- Have 30 minutes to complete online questionnaires about thoughts, feelings, and behaviors relating to relationship satisfaction and family functioning.
- Can read and write English
- Live in the United States

To participate, please click on the following link:

https://www.surveymonkey.com/s/Relationship_Family_Study

This study is being led by Stephanie Felgoise, Ph.D., ABPP and Karen Gentis, MFT, at the Philadelphia College of Osteopathic Medicine (PCOM) in collaboration with Vicki Vetter, MD, at the Children's Hospital of Philadelphia. If you have questions about this study, please email the study team at and place Relationship & Family Study in the subject line.
