

Support Group (Kamuela and surrounding)

Location **Hawaii**
<https://www.genclassifieds.com/x-280882-z>

We're currently organizing a weekly (or 2x/month) 90min gathering for people who are looking for fellowship and support in a therapeutic group setting.

The format and "ground rules" will be set by the participants in the first few meetings.

The intention here is to offer a safe, private, loving space for people to expand their healing process as they move further away from habitual patterns and addictions that may be interfering with living life in a balanced, fulfilling way.

As we move toward this place of renewed peace and personal empowerment, and as we reach new levels of happiness, it's great to have a community to share with, to listen to, to heal with and to grow with.

We are not affiliated with any church or organization including AA or the "12 step program".

There are no requirements to participate in this group. Just honesty and confidentiality.

For more information and/or questions, please call:
 Time and location will be discussed.
